

# The Benefits of Your Health & Dental Benefits Plans

**Are you prepared for a rainy day?**

Millions of Canadians aren't!

Fortunately, there *is* something you can do to ensure that you and your loved ones are. Your Association Group Benefits plan provides exceptional Health & Dental coverage for you and your family at an extremely competitive cost.

## Why choose your Association Benefits Plan?

Health & Dental Benefits offered by different companies are as different as the companies themselves. When choosing the plan that is best for you, there are always 2 major things to consider: Coverage level and price. All of us would prefer to be covered for absolutely everything, but the cost to do that may be too much for some. On the other hand, you want to ensure that your Health & Dental plan will address your major concerns.

## Your Association Plan is Unique

It provides those benefits not typically available outside of an employer/employee relationship at a reasonable cost:

1. 80% coverage of prescription medications - *no limit*
2. No 'per visit' maximums on Paramedical expenses
3. Unlimited duration on semi-private hospital stays
4. Travel Medical Emergency insurance for 90-day trips (ideal for the business traveler!)
5. Additional Benefits for incorporated individuals on a user-fee basis
6. Standard coverage for Short and Long Term Disability
7. No additional charge phone access to Psychologists, Counsellors and Lawyers

...and much, much more...

Additional Benefits to choosing your Association Plan offered through LMS PROLINK Ltd.
