

# Certified Health & Safety Consultant (CHSC)

The premier certification of leading safety, health and environmental professionals

## ENTRY REQUIREMENTS – CHSC CERTIFICATION PROGRAM

The entry requirements for the CHSC Certification Program are:

1. Currently be an internal or external health and safety advisor or consultant and have a minimum of five (5) years (60 months) cumulative work experience within the previous seven (7) years with a minimum of 51% HS related duties;
2. Have successfully completed either a:
  - a. One-year college or university certificate or diploma program in occupational health, safety or environment (min 300 instruction hours); or
  - b. Two-year college or university non-occupational health, safety or environment certificate or diploma program (min 600 instruction hours);
3. Be a current CSSE member; and
4. Submit a non-refundable application fee of \$100 plus taxes, payable on receipt of application.

## DOCUMENTS TO INCLUDE WITH YOUR APPLICATION:

Failure to provide requested documentation will delay the processing of your application and can result in a denial of entry into the CHSC program.

- A signed Application for Admission to the CHSC Program
- A current resume of employment history, which includes start/end dates (month/year) of each position, job title, brief description of responsibilities and percentage of OHS duties.
- A current job description
- Copies of transcripts or certificate/diploma for post-secondary education.
