

# EMPLOYER CHARGED!

A Mock Trial will be held at Carpenters Local 93 Training Center, at  
8560 Campeau Drive, Kanata, ON K2T 0N7  
Wednesday, October 23, 2019  
11:30 AM – 3:30 PM  
Doors open at 10:30 am

Bringing together prosecution, defense, witnesses, and others, this Mock Trial will focus on charges brought upon a fictional employer charged under the Occupational Health and Safety Act. The triggering incident is the death of a worker due to a fall.

## *Who should attend?*

- Owners
- Employers
- Employees
- EHS Professionals
- HR Professionals
- Students interested in EH

Representatives from the MOL, IHSA, WSPS and City of Ottawa will be available to answer questions and provide information to assist you and your workers to stay safe, healthy and compliant in your Workplace.

Admission includes lunch served by Grill Masters. (Provider subject to change without notice)

All proceeds raised will be donated to The Thread of Life <http://www.worksafeforlife.ca/Home/Injury-Prevention/Prevention-Campaigns/Workplace-injuries-hurt-the-most-at-home/Threads-of-Life>

## *Coordinated by:*

The Ottawa Regional Labour Management Health and Safety Committee

IHSA has a network of labour-management health & safety committees operating at the provincial, regional, and trade/sector level. These are different from the workplace committees required by law—this network is voluntary. It affords the industry a means of raising and resolving health and safety issues.

IHSA LM HS Committee - Ottawa would like to thank our  
sponsors
