The CSSE Edmonton Chapter is calling for two individuals who are interested in being part of the Edmonton CSSE team to volunteer in the role of a Committee Director – one position for the Director of Education and one position for Director of SHWeek (Safety and Health Week).

Director of Education Roles and Responsibilities include, but are not limited to:

- Chairing a monthly Education Committee meeting
- Working with the committee to organize a minimum of two educational opportunities for members per annum
- Working with the committee to organize lunch and learns for members
- Preparing and reconciling event budgets

Director of SHWeek Roles and Responsibilities include, but are not limited to:

- Increase employee, employer and general public awareness and understanding of occupational health and safety programs and professionals
- Working with the committee to organize annual SHWeek activities during the national Safety and Health Week
- Preparing and reconciling event budgets
- Engage in other activities throughout the year as opportunities arise

To be eligible, interested individuals must:

1. Be a voting member of the Edmonton Chapter in good standing of the CSSE,
2. Have been a member of the CSSE Edmonton Chapter for not less than one (1) year,
3. Have an understanding of the CSSE's vision and mission

Please send your expression of interest including the specific Director position to vicechair.edmonton@csse.org by January 31st, 2022. If you would like further information, please reach out via the Vice Chair email address.

Thank you!
