

I Gave Backpack! Campaign 2019

ORDER FORM FOR COMPANY SPONSORS

Census information released by Statistics Canada in 2016 shows that nearly 1.2 million children across Canada were living in low-income households, representing about 17% of all Canadian children. In Manitoba, the percentage of children under the age of 18 living in low-income households was 21.9%.

CSSE's goal is to give back to the local community in which our annual PDC is being held, namely the Winnipeg Region in 2019, where there are many high need schools, particularly elementary schools.
